LAWYER REFERRAL SERVICE

The Lawyer Referral Service is sponsored by El Paso Bar Association and is located at:

800 Montana #208,
El Paso 79902
Phone: 532-7052.

Its purpose is to help those El Pasoans who are not acquainted with a lawyer to find one who specializes in whatever problem the client has. The client comes to the office pays \$15.00 to the Bar and is then referred to a lawyer who is in the Lawyer Referral Service.

The Referral Service is a voluntary group, comprised of 175 lawyers who filled out and returned a form stating in which categories they wished their names placed. Any paid member of El Paso Bar Association is eligible to have his name listed with this service.

Clients come from Fort Bliss, newcomers to the area and those who have no idea whom to call for legal help. These people are referred to the Lawyer Referral office by the Red Cross, the Legal Aid Society, Judge Advocate General's office or any of many service agencies within the city. But primarily they come in because of the ad in the yellow pages of the phone book. An average of 30 phone calls per day comes in to the Lawyer Referral Service, with about 30 people per month actually coming in to be referred to an attorney.

In a very real effort to be a community service, El Paso Bar Association sponsors and funds the Lawyer Referral Service. It does not pay its own way. Any lawyer who is a member of El Paso Bar Association who wishes to have his name listed in the referral service should call 532-7052.
